As principal of St. Ignatius School, it is my pleasure to welcome you to our school. Educating students since 1920, St. Ignatius is rich in tradition and heavily invested in faith and family. With the help of staff and parents, St. Ignatius is a place where students grow in God's love.

I am proud of our many accomplishments, particularly, of our successful graduates who are a living testimony to the education and spiritual foundation established at St. Ignatius School. Our alumni carry the high ideals of excellence in academics, service, and leadership.

Our professional and experienced staff is the backbone of our school. In partnership with parents, they have provided excellence in Christ-centered education and service to our families and parish community where Christian values are taught, modeled, learned, and lived.

I invite you to discover your child's future at St. Ignatius School, where we strive to build the kingdom of God, one Saint at a time. Please call us today at 989-734-3443 with your questions or to schedule a tour. We would love to share this special place with you.

Blessings and peace,

Amy E. Rabeau, Principal

Dear God,

You are the center of our faith, our families, and our school. Guide all of us at St. Ignatius School to seek Your wisdom and follow Your will. Help us to cooperate as family, grow in our faith journey, work hard academically, and be respectful. Fill our hearts with Your love so that we can know You and serve each other. We ask this through Christ our Lord. Amen
